

# Grade Three

Counting Coins | Pennies, Nickels, Dimes, and Quarters  
Type the total value of each set of coins

 ¢ ¢ ¢ ¢

Comparing and Ordering Amounts of Money

Count the money in each wallet, type 1, 2, 3 to order the amounts from greatest to least

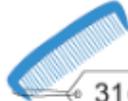

### Adding Cents | Up to \$1

Add the prices of the objects in each set and type the total value

 4¢ +  11¢ =  ¢

 17¢ +  62¢ =  ¢

 65¢ +  31¢ =  ¢

 57¢ +  12¢ =  ¢

 50¢ +  18¢ =  ¢

 17¢ +  29¢ =  ¢

### Finding the Total Cost Using Multiplication

Determine the price of each set of objects

 \$5

 \$9

 ? = \$

 ? = \$

 \$3

 \$4
